Faith & Homeless Families Goals:

- Recruit mentors from congregations to help homeless families
- Deliver short term rent assistance and seven mentoring sessions over six months to families

About the Charity

As more families are becoming homeless our community and local shelters are unable to provide assistance.

Faith & Homeless Families (F&HF) targets families that need a helping hand out of homelessness through the gift of housing and mentors to guide them along the way.

The F&HF is based on developing relationships between families and groups of volunteer mentors from the faith community. All types of faith communities are welcome and encouraged to participate in the program.
