LSS leadership transition

The Board of Directors of Lutheran Social Services announced today that after more than seven years of service Barbara Dröher Kline has left Lutheran Social Services of Northern California to pursue other professional opportunities. "Thanks to Barbara's leadership and dedication LSS programs have grown to now serve more than 5,000 youth, individuals, and families in Northern California," states Ron Zielske, Board Chair, "She will be missed and we wish her much success in her new endeavors."

The board will be working with staff to plan a smooth transition while the search for a new CEO begins. In the interim Ms. Sue Laliberte, Deputy Director, Sacramento Office and Ms. Nancy Nielsen, Deputy Director, San Francisco Office will share executive leadership and administrative responsibilities.
